A PARTNERSHIP FOR LEARNING

Saint Patrick School is entering into a partnership with CATHOLIC VIRTUAL. Catholic Virtual is the trusted online partner for Catholic Schools. Through partnerships with Catholic schools and families, Catholic Virtual facilitate 21st Century learning designed for Catholic students. The courses are taught by Catholic-trained teachers who aim to foster growth and opportunity for each student. For more than a decade, Catholic Virtual has focused on developing curriculum for partner schools.

A focused program with an orientation toward Career and College readiness. A program built on a solid foundation of Catholic values, ethics, mastery of 21st Century innovation, and service to the common good.

Given the right conditions: all students can learn, succeed and develop their God given talents.

UNIVERSITY DUAL CREDIT PROGRAM: Offers advanced students a way to start earning college credits while finishing high school. This exciting program introduces students to how university courses are structured and will teach students valuable study skills for college.

U.S. HIGH SCHOOL DUAL DIPLOMA PROGRAM: Since 2016, Saint Patrick has welcomed international students. Catholic Virtual is ideal for international students or schools looking to offer their curriculum to an international audience. Graduates earn a diploma from their home school *and* a U.S. high school diploma. This program is a fantastic offering and a great option for international students seeking U.S. college admission.
